### Details

Call off the search party - quite literally, the EA81 from Nitecore is the high-performance outdoor searchlight you've been looking for. This unit provides a massive 2150 lumens of brightness, with a beam distance of 462m from the CREE XHP50 LED - so it's ideal for search use. With turbo, high, mid, low and ultralow modes plus three concealed special modes - strobe, SOS, and location beacon - you'll have a range of options to use in other applications too. You can get easy access to the ultralow and turbo modes which makes it easy to use when out in the field. The grip is secure yet comfortable to hold in your hand thanks to the wide knurling, and the two lockout modes prevent accidental activation. This searchlight is also IPX8 waterproof, meaning it can be submerged to 2m. Bright, reliable and user-friendly - the EA81 from Nitecore is the ideal outdoor searchlight. Maximum 2150 lumens CREE XHP50 LED Maximum beam distance of 462 metres Easy access to the ultralow and turbo modes 5 brightness levels - turbo, high, mid, low and ultra-low 3 concealed special modes - strobe, SOS, and location beacon Battery power indicator 2 lockout modes Comfortable ergonomic grip IPX8 waterproof
