Details

The space and functionality of a wheeled suitcase, but with the manoeuvrability of a backpack - the Fast Track VI 75L from Caribee combines the best of both into one handy travel pack. The all-terrain wheels and push button trolley system allow you to drag this pack behind you, while the concealable padded harness system makes it easy to carry on your shoulders. The daypack has multiple compartments and can be clipped onto the main pack. It also has side mesh storage pockets, and an iPad/tablet sleeve, and zips on the shoulder straps so you can connect it securely to the main pack's harness. While the main pack has an internal waterproof toiletries compression pouch, an organiser panel, base shoe pocket and an internal compression system to make packing easier. You can also secure this pack for your peace of mind, as it has oversized lockable zips to stop it from being opened. Functional and versatile, the Fast Track VI 75L from Caribee is the no-brainer travel pack for your overseas adventures. 75L size Push button trolley system stows nearly in the top of the pack Oversized all terrain wheels Multi-compartment daypack with mesh side storage pockets, iPad/tablet sleeve Oversized lockable zips to protect from theft Internal waterproof toiletries compression pouch and organiser panel for your gear Internal compression system Base shoe pocket
