

Caribee  
Patriot 18L Daypack

**\$54.90**

### Details

The Patriot 18L Daypack is the low profile and rugged pack that'll house the bare necessities for a day of exploring. This pack is military inspired, and features a heavy duty and reinforced construction so that it will perform when out in the field. The Patriot is also hydration compatible, so you can add a separate 2L reservoir to this pack to make it simple to quench your thirst. Stabilise your pack with the sternum chest strap and detachable webbing hip belt, and carry your gear in comfort thanks to the padded harness system. You can fasten extra gear to the molle webbing attachment points on the front, and store your stuff in the side accessory/bottle pockets. If you need just enough gear for a shorter expedition, the low-profile military inspired Patriot Daypack from Caribee is ideal. Detachable webbing hip belt Sternum chest strap for stability Hydration system compatible QR compression system Reinforced heavy duty construction Internal organiser panel in front pocket Molle webbing attachment points Velcro ID attachment point Side accessory/bottle pockets
