

Bob Cooper
Outback Survival Book

~~\$29.99~~ **\$24.90**

Details

The Outdoor Survival Book by Bob Cooper will guide you through what you need to do to survive if you get yourself into a life-threatening situation in the outback. This book teaches you how to find and purify water and forage for food, and how to create shelter, warmth and signals - so you can survive in the outback until help arrives. It also has 230 pages of trustworthy information and diagrams provided, backed up by stories from people who survived using these tips, so you know that it contains reliable information should you need it. Keep Outback Survival by Bob Cooper on standby whenever you're about to head off on a remote expedition. Includes how to find and purifying water, fire and windproofing, shelter against the elements, how to create signals, and what food is available to forage and fish for 230 pages of trustworthy information and diagrams. Supported by real-life stories of success and disaster in the wilderness 8 x pages of colourful photographs on the finer points of bushcraft.
