

**Bob Cooper
Snake Bite & Venomous
Creatures Kit**

~~\$24.99~~ **\$19.90**

Details

With 30 species of venomous snakes in Australia, you've got to be prepared when out in the bush, which is where the Bob Cooper Snake Bite and Venomous Creatures Kit comes in. This kit contains non-elastic crepe 10cm compression bandages which will maintain the correct pressure needed, and stay tight when transporting the person who has been bitten. It also comes with a first aid booklet which tells you how to handle stings or bites from land, sea, and burrowing snakes, blue-ringed octopus, cone shells and funnel web spiders. The Snake Bite and Venomous Creatures Kit from Bob Cooper is essential to keep in your car, pack or first aid kit whenever you're heading into the bush or outback. Contains 10cm compression bandages Three bandages are necessary to apply pressure to an adult male's leg First aid booklet with information on treating bites and stings from snakes, funnel web spiders, Blue-ringed octopus, and cone shells Must have for your first aid kit, backpacks and glove boxes
