

Ledlenser P6 Flashlight

~~\$100.95~~ **\$69.90**

Details

Stash a P6 Flashlight from Ledlenser in your glovebox, daypack or outdoor kit for dependable lighting out in the field.

This torch provides you with solid lighting performance as it produces 200 lumens of light, and has a beam distance of up to 120-metres. The housing is made from robust metal and features high-quality gold contacts for durability in a slim and elegant package. This unit uses Led Lenser's patented advanced focus system, which is comprised of reflector lens which allows you to go from close range lighting to sharply bundled long-distance beam for tailored lighting.

The P6 is powered by AA batteries, provides 15 hours or performance and it is also IPX4 rated for protection. Built rugged to last, the P6 from Led Lenser is the adaptable choice for use outdoors and around the house.

200 lumens and 120m beam distance
Long operating time - up to 15 hours
Robust metal housing and high-quality gold contacts
Advanced focus system with reflector lens
