

Nitecore
R25 Flashlight

~~\$189.00~~ **\$169.90**

Details

Whether you're on patrol, out at the campsite, or needing to navigate your dark shed - the R25 torch from Nitecore will have your illumination needs covered. The R25 has a maximum brightness of 800 lumens, and a beam distance of 321m, provided by the high-quality CREE XP-L HI V3 LEDs. With five different brightness levels - 800 lumens, 230 lumens, 120 lumens, and 50 lumens and three settings - tactical mode, law enforcement mode, and general mode you've got a range of options to choose from for different applications. You'll be able to access the strobe mode really easily, as the R25 has a full metal switch and it can be used in all kinds of conditions, as its IPX8 waterproof and submersible to 2m. To charge this unit, just attach it to the included charging dock which can be fixed on a wall, inside a car or laid out on a flat surface. The Nitecore R25 is the rechargeable tactical torch that's versatile enough for daily use, as well as law enforcement and tactical applications. Maximum brightness of 800 lumens Maximum beam distance of 321m IPX8 waterproof - submersible to 2m Five brightness levels 800 lumens, 230 lumens, 120 lumens, and 50 lumens Three settings - tactical mode, law enforcement mode, and general mode. The full metal switch helps you access strobe at any state Charging dock can be laid on a flat desk, fixed on a wall, or fixed inside a car
