 Maker**

~~\$49.00~~ **\$39.90**

Details

The original AeroPress Coffee Maker is the perfect solution for a portable and easy-to-use coffee maker for home, office, campsite or trail use. The entire process of brewing total immersion coffee in the AeroPress will only set you back 2 minutes. Just place the paper filter in the cap, rinse with hot water, fill plunger with hot water, add ground coffee to the Aeropress, stir it and plunge and your coffee is good to go! This press is unique as its micro-filtered, so the coffee produced is smooth, rich and grit-free and is BPA and phthalate-free for your peace of mind. Get your morning kick of caffeine wherever you are, with the easy to use AeroPress Coffee Maker from Aerobie. Lightweight and easy to clean design Takes only two minutes to make BPA and phthalate-free Includes: chamber, plunger, filter cap, paddle, scoop 1 x 350 Micro Filters for AeroPress or the equivalent of a years supply
