Details

An early morning hike or walk is made so much better with a cup of coffee or tea to sip as you take in the sights, which is where the Roaster Loop Cap Bottle from Earthwell comes in handy. This bottle is made from 18/8 kitchen-grade electropolished stainless steel which doesn't translate flavour and is BPA and phthalate-free. It's also double-walled to keep your favourite bevvie hot for up to 10 hours, 16 hours cold and 40 hours iced. This means that it won't sweat, and the powder-coated steel finish provides a sturdy grip while drinking. The Roaster features a patented insulated cap to keep your drink at the right temperature and has an attachment loop for easy transport. This bottle is also completely leak proof for your peace of mind while it's sitting in your bag or pack. Whether you're commuting to work, or out in nature - you can enjoy a hot or cold beverage in the Roaster Loop Bottle from Earthwell. Double-wall vacuum insulation Powder coat finish is tactile, easy to grip and extremely durable 18/8 kitchen-grade electropolished stainless steel Insulated cap with attachment loop BPA and phthalate-free Keeps drinks hot for up to 10 hours, 16 hours cold and 40 hours iced
