

Australian RV
**RV Flowmaster Inline Silver
 Carbon Water Filter**

~~\$39.95~~ **\$33.90**

Details

If you want a crystal-clear supply of water every single time, the RV Flowmaster Inline Silver Carbon Water Filter is a must for your caravan. This silver impregnated carbon filter will reduce any bad odour and taste while also immobilising bacteria for your peace of mind. Simply install it before the tank or inline in your camper, boat, motorhome or caravan and it will remove the chlorine or bacteria present in the water.

Ensure your water supply is clear and ready to use when you're travelling with the RV Flowmaster Inline Silver Carbon Water Filter.

5 micron Silver impregnated carbon filter
 Reduces odour and taste
