

## Tear-Aid Type B Vinyl Repair Tape

~~\$19.95~~ **\$14.90**

### Details

Repairing vinyl gear isn't as easy as slapping on generic repair tape and hoping for the best - you need the Vinyl Repair Kit Type B from Tear-Aid. Normal repair tape isn't going to work on vinyl, as this material contains oils that can degrade most other adhesives. The Vinyl Repair Kit has a special inhibitor which blocks the oils in vinyl, ensuring that it adheres effectively for a strong bond. This product is abrasion-resistant, UV resistant, see-through so it's suitable for use with all kinds of colours, and won't pull when stretched. You can patch up any holes or tears in your gear in a pinch with the Vinyl Repair Kit Type B from Tear-Aid. Ideal for: vinyl RV awnings, air mattresses, inflatables and other vinyl products. Inhibitor which blocks the oils in vinyl to ensure it bonds. Conforms to irregular surfaces. UV resistant. See-through. Can be cut down to size. Includes 2 x alcohol prep pads.
