\$42.90

Details

Whether you're enjoying a balmy evening in your backyard or trying to eat dinner at the campsite, ensure your Thermacell appliance is able to keep insects away with the 48 Hour Repellent Value Pack from Thermacell. This pack contains four butane cartridges which will last up to 12 hours each and can be used with all of the Thermacell lanterns and appliances except the Backpacker which uses a camping gas cartridge. The included repellent mats are compatible with all of the Thermacell appliances and lanterns, last for up to 4 hours of use per mat, and contains a repellent called allethrin which is a synthetic extract from the chrysanthemum flower. The 48 Hour Repellent Refill Pack will have your unit up and running again so you can have peace from mozzies again at home, or out in the field. Includes 12 x 4-hour mats and 4 x butane cartridges. Each repellent mat lasts for up to 4 hours. Each cartridge lasts for up to 12 hours. Repellent mats fit all Thermacell Appliances and Lanterns. Butane cartridge fits Thermacell Appliances and Lanterns except for the Backpacker which uses camping gas cartridges.
