

Thermacell
MR450 Portable Mizzie Repeller

\$59.90

Details

Whether you're fishing, hiking or hunting, the rugged Portable Rugged Repeller from Thermacell creates a zone of protection between you and biting insects out in the field. Just insert one of the included repellent coated mats, and the included butane cartridge will heat it up, creating a 21m square area of protection. This unit is silent, doesn't require an open flame and can be easily operated with just one hand. The exterior features tough rubber armour making it ideal for your off the grid adventures, and you're also able to mount it with the belt clip meaning you can take it with you almost anywhere.

Compact, robust and effective - the Portable Rugged Repeller from Thermacell ensure you won't be hassled by biting insects on your outdoor adventure. Creates a 21m² zone of protection Repels mosquitos and other biting insects Tough rubber exterior Accessory mounting system with belt clip Can be operated with one hand Silent, virtually odour free, no open flame Includes: rugged repeller, belt clip, 3 x 4 repellent mats and 1 x 12-hour butane cartridge
