

Thermacell
**Bristol Mosquito Repellent
 Patio Shield Lantern**

~~\$59.95~~ **\$44.50**

Details

When there are mosquitos, black flies and other biting insects buzzing around disturbing the peace, the Bristol Lantern from Thermacell will repel them for you. When operating, this lantern creates a 21m² zone of bug protection making ideal for use when camping or fishing as well as in your backyard or at a sporting event. This unit uses a repellent coated mat which is put inside the lantern, which is heated up and dispersed by the included butane cartridge to keep insects away. The pleasant ambient light and decorative exterior also make it a great addition to your outdoor dining area or patio. When summer is here and the mozzies are out, the Bristol Lantern from Thermacell makes a great addition to your outdoor kit. Repels mosquitos, black flies and other biting insects Creates 21m² zone of bug protection Compatible with Thermacell repellent mats and refills Includes: Thermacell Bristol Lantern, 3 x 4-hour repeller mats, 1 x 12-hour butane cartridge Powered by 3 x AAA batteries which are not included
