

Enforcer
BZ30 Weatherproof Bug Zapper

\$74.90

Details

If mozzies are the wet blanket that put a dampener on your evening soirees, then set up the 30 Watt Bug Zapper from Enforcer to stop them in their tracks. This unit has a 30W UV lamp that has a weatherproof casing so that it can be used outdoors without any dramas. Its designed with a vertical grid, which means as the bugs get zapped, they drop directly from the Bug Zapper so that you don't have to clean up as much. This lamp has a light output with a wavelength of 365nm in the UV band which naturally attracts mozzies, moths and midges. The transformer in this unit provides a sustained burst of power, which means that it's super-efficient even when there is a higher volume of bugs buzzing about. Don't let your backyard barbie be constantly interrupted by biting insects, instead set up the 30 Watt Bug Zapper from Enforcer. Ideal for entertaining spaces 30W UV lamp with weatherproof casing Light output with a wavelength of 365nm in the UV band Attracts moths, midges and mosquitos Transformer provides a sustained burst of power for efficiency Hang it up at a height of 2.5 metres, away from other light sources and human activity
