Details

When there's dirt, dust, gravel, grass, or bush on your path - the Salomon High Trail Gaiters will shield your ankles and shoes from any debris you encounter on the trails. For extra comfort, these gaiters have durable mesh around the ankle and lightweight padding around your ankle bone. They also feature a strong strap that goes under your foot and is super easy to wear - just put them on over your shoes, and secure them with Velcro. Protect your ankles from abrasions, and keep debris out of your runners with the High Trail Gaiters from Salomon. Easy to put on with Velcro closure. Strong strap under the foot. Durable mesh and lightweight padding on the ankle. A barrier between debris and your feet.
