Details

Are rocks, dirt and other debris slowing you down on the trail? Wrap a pair of the Trail Gaiters from Salomon over your shoes for extra protection and comfort. These gaiters are super easy to put on, you just slide them over your shoes, and Velcro them shut to secure. They've also got durable mesh and padding under the ankle for comfort, as well as a robust strap under the foot for reliability. Not only will the Trail Gaiters from Salomon prevent debris kicking up and getting inside your shoes while you run, they'll also protect your ankles from abrasions. Easy to put on with Velcro closure Strong strap under the foot Durable mesh and lightweight padding on the ankle A barrier between debris and your feet
