

Suunto Bike Sensor Service Kit

~~\$29.99~~ **\$27.90**

Details

If something goes wrong with your Suunto Bike Sensor, the Bike Sensor Service Kit will have it ready for action again. This kit contains everything you'll need including a Bike Sensor battery cover, an O-ring, crank magnet for cadence, a wheel magnet for speed and distance and a rubber strap and plastic zip ties for attaching the sensor to a bike frame. Keep spare parts for your Bike Sensor on hand with the Bike Sensor Service Kit from Suunto. Includes: bike Sensor battery cover, o-ring, crank magnet, wheel magnet, a rubber strap and plastic zip ties. Battery not included in the service kit (Suunto bike sensor uses a CR2032 battery)
