Details

The Targhee III Waterproof Mid from Keen is the revamped classic boot for your rugged adventures. These shoes are made from waterproof leather and mesh for durability without the extra weight. The Targhee has a mud shield around the exterior for extra protection, and speed hooks to make it easy to adjust the laces. Your feet will be protected from water thanks to the waterproof yet breathable membrane. The interior features natural odour control, the EVA midsole cushions, and the ESS shank provides support. And as for traction, the all-terrain rubber outsole with 4mm multi-directional lugs provide grip as you traverse across varied surfaces. The timeless and durable Targhee III Mid WP from Keen will keep you steady on your feet on your outdoor expeditions. KEEN.DRY waterproof yet breathable membrane Leather mud shield Speed hooks for easy adjustment ESS shank for support Natural odour control Waterproof leather and performance mesh upper All-terrain rubber outsole with 4mm multi-directional lugs for traction
