**\$244.90**

### Details

The Darche ATM 1100 is a king-sized single mat that's ideal for combining with your swag, stretcher or tent for a soundless snooze under the stars.

The top is constructed from a rugged 75D peach finished polyester with a luxurious finish, and the underside is a waterproof 300D oxford with PVC coating so it's easy to wipe down. This fully bonded mat has curved edges to make it easy to fit into your swag - this mat is also designed to fit on top of most camping stretchers. Once inflated, this mat provides 100mm of cushioned comfort and is also created to withstand the punishing Australian conditions.

Made from open cell high-density foam, the ATM won't lose its R-Value or shrink over time, resists mould and also provides warmth and support as you sleep. This mat also absorbs sound, meaning there's less noise compared to other camping mats. Built tough and most importantly comfortable, the ATM 1100 will complete your outdoor sleeping system for your future expeditions.
