Syrup

Available sizes:

US 8.5

Details

Minimal, rugged, and with a sleek European exterior - the Pyrenees Boots from Keen are a great all-rounder.

The full waterproof nubuck leather upper and KEEN.Dry membrane will keep your feet dry from the elements while still allowing your feet to breathe. The footbed is designed to support the arches of your feet, while the compression moulded EVA midsole provides you with cushioning you need. In terms of grip, the Pyrenees have a non-marking rubber outsole with 4mm multi-direction lugs for good traction across a variety of different surfaces.

The classic styling and comfortable features make the Pyrenees from Keen a great choice for days exploring the trails.

Waterproof nubuck leather construction
KEEN. Dry membrane that seals out water while allowing moisture to escape
Metatomical footbed design for excellent arch support
Non-marking rubber outsole
Dual density compression moulded EVA midsole
Removable EVA footbed
This style runs a ½ size small
