

Roman
Swift Instant Screen Shelter
\$174.90

Details

Compact, easy to pitch and lightweight - the Swift Instant Screen Shelter from Roman offers breathable insect protection in the tropics. This shelter features Roman's instant frame system, which makes it easy to set up and pack down - in fact, it will only set you back a few minutes. The Swift features durable 150D fabric with UPF 50+ protection and provides protection from insects thanks to the ultra-fine mesh walls. Entry is easy via the two zippered doors, while the roof vents allow for extra ventilation when the weather is warmer. With steel pegs, guy ropes and a carry bag included - you'll also be able to easily set up the Swift Shelter and carry it to and from your destination. The Swift Instant Screen Shelter from Roman is perfect for humid conditions where you need insect protection and plenty of air flow. Swift instant frame system for easy assembly Ultra-fine mesh walls Durable 150D fabric with UPF50+ protection Built-in mesh walls for insect protection Front and rear zippered doors for access Roof vents for ventilation Steel pegs and guy ropes included Carry bag for transport and storage
