

Roman  
Swift X3 Instant Shelter

**\$199.90**

### Details

More lightweight and compact than a standard 3m gazebo, the Swift X3 Instant Shelter offers convenient and quick shade outdoors. With a one minute set up and pack down time, even the most time-poor can commit to setting this bad boy up. The Swift has a pre-attached canopy which is made from water repellent 150D polyoxford with UPF 50+ protection, while the instant frame is made from powder coated steel. This shelter is 50% more compact and 60% lighter than a standard 3 x 3m gazebo and will fit into the boot of most standard cars for easy transport. You can store your essentials in the internal wall organiser pockets, while the roof vents allow for ventilation in warmer conditions. If you want extra shade, you can also add separately available mesh or sunblock walls. Topped off with steel pegs, guy ropes and a carry bag included - the Roman Swift X3 Instant Shelter is the easy choice for camping, picnics or days out at the park where you need convenient shade. 60% lighter and 50% more compact than a standard 3 x 3m gazebo Fits in the boot of standard cars Instant frame system and pre-attached canopy Quick 1 minute set up and pack down time 150D fabric with UPF 50+ protection Water repellent canopy Internal wall organiser storage pockets Roof vents for ventilation Steel pegs and guy ropes included
