Details

Illuminate your campsite with diffused orange or white light with the 48cm Orange/White LED Lightbar from Korr Lighting. This light bar provides 590 lumens on the white setting which is more than enough to see what you're doing at the campsite at night. The orange setting, on the other hand, provides 350 lumens and will help reduce the attraction of bugs. The diffuser provides a wider beam of light and is removable. This bar has heavy-duty sealed ends and is IP68 waterproof rated for reliability. It's also simple to install yourself, with quick connectors to make it easy to use it with other batteries, cables and LED products. For camping, touring, 4WDing, boating and more - add the versatile 48cm Orange/White LED Lightbar from Korr to your set up. Quick connectors for easy connection between LED products, batteries and cables Removable 3-piece system - end cap, diffuser, rigid bar Heavy-duty sealed ends IP68 waterproof White provides 590 lumens Orange provides 350 lumens Comes with: 1 x orange/white LED light, 1 x orange/white dimmer, 1 x cigarette/merit lead, 1 x extension lead
