Details

When you're exploring Australia, you're going to be putting your caravan through some harsh conditions - which is where the durable and specially designed Premier Platinum Pop Top Cover comes in handy. This cover is made to handle the tough Aussie environment so it'll add protection from the dust, wind, sun and rain. The roof is 100% waterproof, made from UV50+ stabilised 300D polyester and it has heavy-duty 4-layer non-woven 160 gsm sides. It also has breathable side panels to help resist mildew and mould, a reinforced skirt, non-abrasive lining and tough interlocking seams. There are 3 zips for easy access, an elasticised front and rear, and a strap and buckle for securing it to your caravan. This roof cover also comes with a handy carry bag for storage, and a self-adhesive repair kit just in case you need it. Make sure that you shield your caravan from the unforgiving Australian climate, by protecting it with the Premier Platinum Pop Top Cover.
