Details

Protect your caravan from the sun, wind and rain with the toughest cover available on the market - the Premier Platinum Caravan Cover. Constructed to withstand the harsh UV and climate of Australia, this cover won't let you down on your adventures. The sides are made from heavy-duty 4-layer non-woven 160 gsm, while the waterproof roof is made from UV50+ stabilised 300D polyester. It's got breathable side panels to help resist mildew and mould, a reinforced skirt, non-abrasive lining and tough interlocking seams. There are 3 zips for easy access, an elasticised front and rear, and a strap and buckle for securing it to your caravan. It also comes with a handy carry bag for storage, and a self-adhesive repair kit just in case you need it. Protect your caravan on your outback adventures with the Premier Platinum Caravan Cover.
