

## Explore Planet Earth Speedy Blackhole 2 Pop Up Tent

~~\$229.00~~ **\$179.90**

### Details

With an unbeatably fast set up, plus a darker interior for easier sleep ins - the Speedy Blackhole 2 from Explore Planet Earth is a genius tent for festivals or quick overnights. This model has the Speedy frame which is a fly, floor and inner that pitch together. You just take it out of its bag, pop it out, peg and guy it out and you're done! On top of that, they've added the Blackhole feature which is a black fly and inner which helps block out the sunshine for easier sleep-ins and keeps your tent cooler in the day. This tent has a fly with a 3000mm PU coating to keep out the rain, fully taped seams to prevent leaks and No-See-Um mesh side windows for ventilation. The interior features an integrated Intents LED lighting system, so all you need do is hook it up to a separate standard USB power bank or USB battery adapter (batteries not included). You can also easily stash smaller items in the interior accessory pockets so you'll never lose track of your phone or keys again. Grab a Speedy Blackhole 2 from Explore Planet Earth when you need an easy-pitch shelter for a spontaneous getaway. Sleeps 2 people. Black breathable polyester inner 68D polyester fly with 3000mm PU coating and blackhole treatment. Intents lighting system compatible with USB battery adapter (batteries not included) or use a standard power bank (not included). Fully taped seams. No-see-um mesh side windows. Reflective guy ropes. Accessory pockets.
