### Details

Rest soundly in luxurious comfort, in the modern teepee style Bellbird Glamping Tent from Explore Planet Earth. Access to this tent is through the single gable shaped entrance which reveals on multi-purpose room for sleeping or hanging out in. The roof is made from 300D material, with 150D side walls, and a heavy-duty PE floor. The fly on the Bellbird tent has a coating which helps absorb the heat from the sun while keeping the warmth in during the evening. It also has an SPF50+ UV coating to ensure longevity and a 2000mm waterhead rating for water protection. On a warm evening, the 5 interior ventilation ports help with air flow while the bug screen door keeps out insects. You can also easily keep track of your essentials by keeping them safe in the interior accessory pockets.
