**Details**

You'll be energetic and sure-footed on the trail, with a pair of the Ultra Fastpack III Mid GTX Boots from The North Face at your disposal.

The upper is made from TPU coated woven mesh for lightweight protection, while the toe cap guards your foot against debris on the trail. Your feet will be protected from wet conditions as the Ultra Fastpack has a waterproof yet breathable Gore-tex membrane while the TPU heel overlay increases stability as you hike. The Ortholite footbed will keep you comfy, and the dual-density midsole cushions your feet as you walk and ensures maximum energy return.

And in terms of grip, the Vibram megagrip outsole ensures you have sticky and durable traction across all kinds of terrain. The Ultra Fastpack III Mid GTX Boots from The North Face are the waterproof, sprightly and supportive choice for your outdoor adventures.
