

Hard Korr 4 Bar Orange/White LED Camping Light Kit with Diffusers

\$169.00

Details

If you want to take your camp lighting set up to the next level, the 4 Bar Orange/White LED Camp Light Kit with Diffusers from Korr Lighting is the way to go. This kit contains four 48cm super bright light bars which provide 2360 lumens on white and 1400 lumens on orange depending on what you need. You can leave the lights on all night without running down your battery thanks to the low power consumption, there's minimal heat output, and they're IP68 rated making them completely watertight. The bars have a removable diffuser for a wider and more pleasant light beam, the removable end caps hide the wiring for flush mounting, the new extrusion profile makes them extra strong. This kit is also to set up by yourself, as there are removable pole clips for easy attachment and inbuilt magnets for metal surfaces. Illuminate your medium sized camper trailer or campsite with the 4 Bar Orange/White LED Camp Light Kit with Diffusers from Korr Lighting. 2360 lumens on white and 1400 lumens on orange Removable end caps hide wiring for flush mount applications Inbuilt magnets for attachment to most metal surfaces Reinforced grommets to prevent wire breakage IP68 rated and completely watertight Waterproof locking DC connectors on all cables Heavy duty insulated cables to prevent voltage drop Contents: 4 x 48cm orange/white light bars, 2 x orange/white dimmer switches, 8 x removable light bar pole clips, 2 x dimmer pole clips, 1 x 5m lead with cigarette/merit plug, 2 x 2.5m extension cable, 1 x 5m orange/white extensions cable, 2 x 3m orange/white extension cable, and 1 x two-way splitter cable
