

Korr Lighting 2 Bar Orange/White LED Camping Light Kit with Diffusers

~~\$139.00~~ **\$99.00**

Details

If you're a beginner looking to illuminate your campsite, or you have a compact set up the 2 Bar Orange/White LED Camping Light Kit with Diffusers from Korr is perfect. This kit contains two 48cm super bright light bars which provide 1180 lumens on white and 700 lumens on orange depending on what you need. It's got a removable diffuser for a wider and more pleasant light beam, the new extrusion profile creates extra strength and the removable end caps hide the wiring for flush mounting. You can leave the lights on all night as they consume a low amount of power, there's minimal heat output, and they're IP68 rated so they're completely watertight. Setting these bars up is a breeze, as there are inbuilt magnets for attachment to metal surfaces, and removable pole clips for tent poles. The 2 Bar Orange/White LED Camping Light Kit with Diffusers from Korr is perfect for brightening up a canopy, toolbox, or smaller setup. 1180 lumens on white, 700 lumens on orange. Removable end caps hide wiring for flush mount applications. Inbuilt magnets for attachment to most metal surfaces. Reinforced grommets to prevent wire breakage. IP68 rated and completely watertight. Waterproof locking DC connectors on all cables. Heavy duty insulated cables to prevent voltage drop. Comes with: 2 x 48cm super bright orange/white light bars, 1 x orange/white dimmer switches, 4 x removable light bar pole clips, 1 x dimmer pole clips, 1 x 5m lead with cigarette plug, 2 x 3m orange/white extension cable.
