Details

Tackle your next warm weather walk without a hitch with the Hike Lightweight Ankle Socks from Bridgedale. These socks are made from a blend of merino wool, new wool, nylon, Endurofil and lycra which transfers moisture away from your feet so you stay dry all day. Overfoot there is targeted ventilation to help keep you cool, while underfoot there is cushioning for comfort as you hike. Stay cool and dry on the trail with the Bridgedale Hike Lightweight Ankle Socks.

Targeted cushioning for comfort Mesh panels for ventilation Moisture management system transfer moisture away from the feet Made from: 29% Merino wool, 9% new wool, 42% Nylon/Polyamide, 19% Endurofil/Polypropylene, 1% Lycra/Elastane
