From \$79.90

Available colours:

Sand | Dark Olive | Azul | Octane

Details

The waterproof, dustproof and robust Storm375 Headlamp from Black Diamond will illuminate your path in all kinds of conditions. Now with a sleeker more compact body for comfort, this model also has an improved user interface which has a second switch to make selecting modes easier. The improved optical efficiency provides 375 lumens while also helping to conserve battery power which can be tracked through the LED battery meter. The Storm has a lock mode to prevent it turning on when you're not using it, and a brightness memory feature so you can turn it on and off without it reverting to full power. The red, blue and green modes will help you see in the dark, and it has strobe and dimming settings that are activated without ruining your night vision. You won't get grime clogging up your headlamp as the Storm has dustproof housing, and it has an IP67 rating so it'll withstand water immersion over 1 metre for 30 minutes. The fully-featured Storm375 Headlamp from Black Diamond is designed to light your way on your rugged outdoor expeditions. Optical efficiency provides 375 lumens and helps conserve battery More compact and ergonomic design LED battery meter Updated user interface Brightness memory feature - can turn on it off without reverting to full power IP67 waterproof and dustproof to 1m for 30 mins Settings: full strength proximity and distance, dimming, red, green and blue night vision, strobe and lock modes Uses 4 x AAA batteries
