\$1,999.00

Details

Every outdoors enthusiast knows is that one of the best parts of getting out there and exploring in your 4x4 is sleeping out under the stars. Now you can sleep with an even more incredible view with the Darche Hi-View 1400 Roof Top Tent with Annex.

With this tent, you have the option of seeing the stars through the large full-width window, and you'll be able to see straight out onto the horizon as your tent will sit on the roof of your car. You'll have no trouble from the Hi-View, as this tent is built from ripstop canvas that is made to last the harsh Australian weather conditions.

You access the tent through the telescopic ladder that is covered by a 3-way annex, you can get to your shelter while keeping the entrance undercover. In warm weather, the tropical fly will help to prevent condensation build up and give you plenty of fresh air circulating so you don't get hot and stuffy. You'll only need a sleeping bag and a pillow as the Hi-View comes with a seriously comfortable high-density mattress with a zip off cotton cover for easy cleaning.

For a gorgeous view of the heavens, and of the road ahead you can't beat the Darche Hi-View Gen 2 Roof Top Tent with Annex.
