

Darche  
**Panorama 1400 Rooftop Tent  
 + Annex**

**\$1,949.00**

### Details

The ultimate rooftop tent in the Darche range, you can't get any more luxurious than the Panorama 1400 RTT with Annex. For those of you who love to stargaze - the zippered sunroof allows you to see straight into the heavens while you drift off, which makes this tent the limousine of rooftop accommodation. With enough space for a couple or the solo traveller who likes the extra room, the Panorama is super comfortable thanks to the high-density mattress included. The tent is made from durable canvas, with a PVC floor and a PVC tonneau cover so it is built to withstand the harsh touring lifestyle. In warm weather, the tropical fly will help to prevent condensation build-up and give you plenty of fresh air circulating so you don't get hot and stuffy. You'll only need a sleeping bag and a pillow as the Panorama comes with a comfortable high-density mattress with a zip-off cotton cover for easy cleaning. This shelter packs down close to your vehicle so it won't stick out and drag you down when you're on the road. The checker plate base, frame lugs and centre pivoting yoke are made from Aluminium and will work together to keep your shelter steady while reducing the overall load. Made especially to withstand the uncompromising Australian climate - the Panorama will see you through many adventures.

Low profile packed dimensions for less wind drag
