Details

If your roof top tent could use some further shelter and privacy, the Hi-View 2200 2.1m 3-way Annex room Darche is ideal. This annex is designed for camper trailer or lower vehicle setups and is constructed from 210 ripstop polyester for durability, with a zip-off 550gsm PVC bucket floor. You can use it to stash away your extra gear or as additional sleeping space. Access this annex from the single entry which has superfine insect mesh and a privacy door. In warmer conditions, you can get ventilation through the two large side windows with storm covers, and there is another rear opening for vehicle access. Add the Hi-View 2200 1.6m Annex from Darche to your set up for extra liveability to your RTT. 1.6m drop for camper trailer setups and lower vehicles Ideal for setups between 1500mm H and 1700mm H Front entry 2 side windows for ventilation Superfine insect mesh Rear opening for vehicle access 210D oxford polyester ripstop material Storage bag included 550gsm PVC zip off bucket floor
