Graphite

~~\$199.99~~ **\$139.90**

### Details

Hike over knolls and hills with the Trail 22 Pack from Deuter carrying your gear. This pack has a tensioned U frame for stability, and the Aircontact back system which features open cell foam padding which keeps the weight close to your back, and an auto-fit belt with pull-forward adjustment to distribute the weight properly. You can stash the things you need in the outside pockets, damp or dirty clothes in the wet pocket, and valuables in the interior pocket. This pack also features an attachment point for your hiking poles, helmet as well as for a separate 3L hydration system - so you'll be all good to cart around what you need. The clean design and functionality of the Trail 22 from Deuter make it a stellar choice for carrying your gear on your open-air adventures. Zipped front opening for easy access Tensioned Delrin U frame for stability Aircontact system Pockets on the outside Valuables pocket on the inside of the pack 3L hydration system compatible Breathable mesh hip fins Lid pocket for easy access to your gear Sternum straps stabilises pack on the shoulders Compartment on the inside for wet or dirty clothes Hiking pole attachment Helmet attachment Removable rain cover
