### Details

For the adventurous travelling duo, the Freelite 2 is a sophisticated design that cleverly lightens your load. With plenty of ventilation, a roomy interior, and two large doors for easy access this model is pure efficiency and comfort. This tent is perfect for any couple who wants to make the most of the daylight hours, as the simplicity of the connected pole and hub structure means setup and pack up are an absolute breeze. For 2019, this tent has been updated with Easton® Syclone™ poles made from aerospace composite materials resist breakage in windy conditions for extra reliability in the field. The micromesh canopy provides plenty of airflow, while controlling moisture and protecting you from creepy-crawlies. This tent also has MSR's Xtreme Shield™ waterproof-coating on the fly and floor for protection from the elements. The Freelite 2 is perfect for fast-paced travellers or city dwellers who don't have time on weekend trips to get bogged down setting up basecamp. Semi-freestanding form for easy setup. Spacious interior and large doors. Micromesh canopy for air circulation and moisture control. Easton® Syclone™ poles made from aerospace composite materials resist breakage. Xtreme Shield™ waterproof-coated rainfly and floor.
