Backpack**

From \$351.90

Available colours:

Steel Midnight | Petrol Navy

Details

Spend a couple of nights exploring the trail, by carrying your gear in the Aircontact 40+10 SL from Deuter. The Aircontact back system will adapt to your back, has additional load adjustment straps, a padded hip belt for comfort, the VariQuick system to adjust it to any back length and a stable X-frame to transfer the weight onto your hips. In terms of storage, there's a zipped front opening for easy access, a bottom compartment with a removable separator, pockets on the outside for smaller items, an adjustable lid for extra space, a pocket for valuables, and a compartment for wet gear. There's an attachment for your hiking poles and a separate hydration system to drink on the go, and a removable rain cover in case you encounter a drizzle. A sophisticated design for the explorer looking for the entire package, you can rely on the Aircontact 40+10 SL from Deuter on your next trek or travel expedition. Vari-Quick system - for easy adjustment to any back length X frame construction Adjustable lid for extra space Bottom compartment with a removable separator Padded hip belt Removable rain cover Valuables pocket Hydration system compatible Load adjustment straps Attachment for hiking poles Wet compartment Hydration system compact
