Details

Marshmallows are a camping staple, but when space and weight are a premium, the freeze-dried Marshmallows from Campers Pantry will go down a treat. Normal marshmallows are pretty bulky and easily squished in your pack so these will give you those campfire vibes even when you're on a lightweight trip. You can also pop one in your hot choccy as a treat on a frosty evening. After a strenuous day of adventure, the freeze-dried Marshmallows from Campers Pantry are the sugary hit that you deserve.
