Details

When trekking and travel are on the cards for your next trip, the Nomad 60 from Black Wolf is the hybrid pack that will properly house your gear. This pack has a streamlined hiking silhouette so you'll have the support you need to carry what you need on an overnighter. It's got travel-friendly features such as a zippered cover so you can close off the back harness while in transit, an RFID pocket to protect your credit cards, and lockable zips to keep your gear secure. The Nomad 60 has a twin compartment that loads at the top and front, a top lid pocket for extra storage, and is hydration compatible for drinking on the go. The built-in rain cover protects your gear in wet conditions, the side pockets are ideal for water bottles, the safety whistle helps you draw attention in an emergency, and the compression straps allow you to streamline your load - so the Nomad 60 from Black Wolf is primed for adventure.
