### Details

The Ultra Elite 20 Sleeping Bag from Marmot will have you wondering how a synthetic bag could be so cosy and efficient while you snooze soundly on fast and light missions. This bag has a unique blend of three synthetic fibres which provide compressibility, warmth and a soft down-like feel to keep you warm on the trail. The mummy shape of this bag maximises warmth, while the anatomical wraparound footbox gives you more space and insulation around your feet. The 3D hood keeps your head cosy, the stash pocket makes it easy to store essentials, and this bag is EN tested providing a -7°C temperature rating. It's also got a full length locking two-way zipper with an anti-snap slider to prevent it getting caught when you're getting in and out of the bag. When you're adventuring in wet conditions, the Ultra Elite 20 Sleeping Bag from Marmot is the warm and dependable option.
