

Hard Korr 48cm Super Bright LED Light Bar Kit with Diffuser

~~\$49.00~~ **\$24.50**

Details

Light up your tent, awning, toolbox, or shed with the versatile 48cm White Light LED Light Bar Kit with Diffuser from Korr Lighting. This light bar provides 590 lumens, is IP68 rated so it's completely waterproof, and the LED has a massive 50,000-hour lifespan. The diffuser creates a wider beam which is easier on your eyes, and all the cables come standard with waterproof locking DC connectors. To help with mounting there are inbuilt magnets, the grommets are reinforced to prevent wires from breaking, and the heavy duty insulated cables stop voltage drop. There's also minimal heat output, and it has a low power consumption so it can be left on for hours without completely draining your battery. Illuminate your set up with the reliable and bright 48cm White Light LED Light Bar Kit with Diffuser from Korr. 590 lumens 180 degree light beam LED lifespan of 50,000 hours Inbuilt magnets in the rear channel to assist with mounting Low power consumption - can be left on all night without affecting your battery Heavy duty double insulated cables help prevent voltage drop Waterproof locking DC connectors IP68 rating - completely waterproof and can even run underwater Includes: 1 x high powered 48cm light bar, 1 x clip-in diffuser, 2 x end caps, removable pole clips (attach to non-magnetic poles), 1 x 3m extension lead with cigarette/merit adaptor.
