**Details**

The Extra Comfort Single Mattress from Aerobed is a comfy and easy to use bedding choice that provides a bit of extra luxury when staying at a powered site, or as a spare bed when guests come to stay. Quick and easy to use, this airbed is made from durable PVC and comes with a soft touch mattress cover for protection. It features an in-built air pump, which inflates it in just 45 seconds, so it's easy to set up an extra bed when you need one. It has a wand which allows you to adjust the firmness to your liking even when you're lying down, while the quadra coil construction gives you support while you snooze. When it's time to deflate it and pack it away, it has a Whoosh® valve which makes the whole process fuss-free, and it comes with a carry bag so you can protect it while it's in storage.
