

Bushman Fridges
DC130-X 130L Upright Fridge
\$1,299.00

Details

With low power usage, a quality build and a deep and narrow design to maximise space - the Bushman 130 Litre DC130-X Fridge ideal for use in your caravan, RV or boat. This unit features reliable German designed and Japanese owned Nidec Danfoss BD35 compressor, with a stainless-steel freezer door so it's built to last. It's designed to use a low amount of power and has many ventilation options. The narrow and deep freezer design gives you more space so you can stand up taller bottles, and the shelves are height adjustable. For installation, you can use the included mounting kit or install it flush mounted to your cabinet work.

The efficient and easy to use Bushman 130 Litre DC130-X Fridge allows you to chill or freeze your food and drinks in your RV or caravan.
