Details

Lightweight, compact and thermoregulating - the Merino Gloves from Sherpa will keep your paws warm and comfortable on technical adventures. These gloves are made from 100% Australian superfine 18.5 micron Merino, which is brushed on the inside for softness. Merino has excellent moisture control, dries quickly and is odour resistant so they'll help keep your hands dry and warm out in the field. Perfect on their own, or under climbers' mitts or ski gloves when conditions are cold - the Merino Gloves from Sherpa are ideal for cold conditions. Compact and light so can be worn as a liner. Dries quickly when wet. Wicks away perspiration. 100% Australian superfine 18.5 micron Non-itch and soft to touch.
