Details

Enjoy full dexterity while keeping your mitts cosy with the Fingerless Fleece Gloves from Sherpa. These gloves are made from soft fleece with 3M Thinsulate insulation which traps air and warm prevent radiant heat loss while the elastic cuff keeps cool air from sneaking in. The high warmth to thickness ratio reduces bulk, the palm grip helps you get a better hold of your gear, and you'll still be able to use your devices as these gloves aren't full length. The warm and practical Fingerless Fleece Gloves from Sherpa are a staple for your wintry expeditions. Soft fleece Palm grip Elastic wrist cuff to keep cool air out 3M Thinsulate insulation to block radiant heat loss High warmth to thickness ratio
