

Nitecore MH40GTR Flashlight

~~\$250.00~~ **\$199.90**

Details

The multitasking, hybrid MH40GTR Flashlight from Nitecore can be used for hunting, tactical and law enforcement. The premium CREE XP-L Hi V3 LED provides a maximum output of 1200 lumens, while the ultra-precise reflector provides a beam distance up to 1004 metres. It's got turbo, high, mid, low, strobe and SOS modes so it can be used for all kinds of applications. The MH40GTR is powered by the two included NL1826 batteries, and has a maximum runtime of 140 hours. This flashlight has a toughened mineral glass lens is protected by a stainless-steel bezel housed in aircraft grade military spec hard anodised alloy body. It's also IPX8 waterproof, so it can be submerged to two meters and you can easily change modes by twisting the head. With a built-in smart detecting Li-ion battery charging circuit, you can safely and easily charge it, and it has an intelligent memory function to store your preferred brightness settings. Whether you're using it for tactical or general outdoor applications, the MH40GTR from Nitecore won't let you down. 1200 lumens 1004m beam distance IPX8, 2m (waterproof and submersible) Intelligent memory function Toughened mineral glass Aerospace grade aluminium alloy Intelligent charging circuit with voltage protection Includes 2 x Li-ion batteries, clip, tactical ring, lanyard, wall charger, holster, spare tail switch cover, spare O-ring.

Specifications
