Wmn's Trail Ergo Cork
Trekking Poles

~~\$199.99~~ **\$154.90**

Details

With a natural cork grip, a comfortable women's specific design and year-round suitability - the Trail Ergo Cork Women's Trekking Poles from Black Diamond are a stable trail companion. The women's specific, moisture-wicking cork grip is angled for comfort and they've got a soft touch foam extension for better handling - so they live up to their ergonomic moniker. They feature a lightweight aluminium shaft with double FlickLocks for easy adjustment and have carbide tech tips which are interchangeable so they can be altered according to the terrain. These poles also have a ski compatible ferrule which accepts 100mm powder baskets for trekking through deep snow. Comfortable to grip, and versatile enough for four-season use - the Trail Ergo Cork Women's Trekking Poles from Black Diamond provide much-needed support for up and downhill treks. Soft touch foam grip extension for more comfort Women's specific cork grip wicks away sweat Light yet durable aluminium shaft Suitable for four season use Ergonomically angled for optimal grip Dual FlickLocks for adjustability Interchangeable carbide tech tips women's specific grip Ski compatible ferrule accepts 100mm powder baskets for deep snow
