Details

Part of Darche's B.Y.O.S range, the Dirty Dee 900 is now available as a shell only. This way you can either use your existing camp mat or choose one of Darche's custom options below so you can build your perfect swag. The Dirty Dee shell has a ridge pole trigger locking system which makes it freestanding, while the near vertical walls make it super spacious. Constructed from 420gsm proofed polycotton grip ripstop canvas for durability, its seam sealed for protection and has an HF welded PVC bucket floor for protection - so this swag shell can handle the touring lifestyle. The mesh covered windows are massive, so you can unzip the fly to catch a glimpse of your beautiful surroundings, and there are 6 points in this swag shell for optimum cross-flow ventilation. All you need to get this Dirty Dee swag ready for adventure is to add your preferred mat...so checkout Darche's mat offerings below. Swag skin only - add your own mattress for a custom setup.
